Attn: Mr. Jerry Y. Wong  
Senior Industrial Waste Engineering Inspector

Gentlemen:

We wish to confirm that we have cleaned up the cyanide spill at 8623 Dice Road, Santa Fe Springs, California, as you have requested.

Thank you for your cooperation.

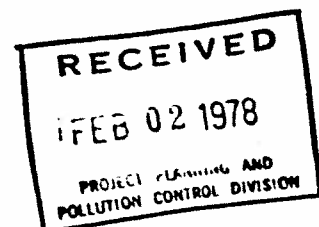

Sincerely,

Joe Ruppert

INSPECTOR'S REPORT

TO: Roger Higbee DATE: February 1, 1978  
FROM: Jerry Wong FILE: I-5867-1H

INDUSTRY: West Bent Bolt - Mid-West Fabricating Co.

8623 S. Dice Road, Santa Fe Springs

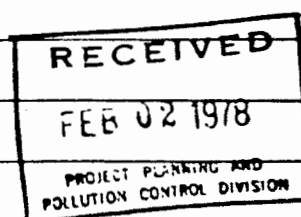

REPORT: On January 26, 1978, Per Carl Sjoberg instruction, I investigated  
the above location.

I contacted Mr. Joe Ruppert of the above Company, He said about  
thirty gallons of sodium cyanide solutions was spill over into Dice  
Road this morning. At the time ( 1:00 pm ) of the investigation  
I observed only one gallon of cyanide solution remain in the street  
gutter, most of it have been evaporated. I instructed Mr. Ruppert  
to clean up the residual in the street and the street gutter.

Re-inspected on January 31, 1978, no evident of any cyanide  
in the street.
